

# Introducing the ALL NEW

MADE IN  
U.S.A.

## RENEGADE

SELF-RETRACTING LIFELINE  
by: FrenchCreek Production

### FrenchCreek Toughness

Renegade series American-made SRL's provide the durability and confidence expected by professionals. With 13 feet of working capacity and quick fall-arrest capability measured in inches, the Renegade will never let you down.

### Durability

- ♦ Housing made of corrosion resistant aluminum and stainless steel
- ♦ Comes standard with corrosion resistant stainless steel swivel
- ♦ High Strength wear-resistant webbing allows for 13 feet of capacity
- ♦ Capacity of 400 pounds
- ♦ A variety of 5,000 pound connectors available, reducing the cost of ownership and allowing customization for specific applications

### Safety Performance

- ♦ No Annual factory recertification required
- ♦ Double-inertia, high-strength stainless steel braking system arrests free falls within inches
- ♦ Visual impact indicator warns that the unit has experienced fall-arrest forces and must be removed from service
- ♦ Compact energy absorber minimizes fall-arrest forces
